

## **Our Mission**

To promote Christ-centred education providing excellent and inclusive schooling

## **Our Values**

Collaboration, Integrity, Accountability

## 2024-26 Strategic Priorities

- Engage schools, families, governments and communities with the mission and purpose of Catholic education.
- Support the Faith Formation of school leaders, future leaders, staff, students and families.
- Support the sustainability of Catholic education and promote its mission, through advocacy, funding and regulation.

Catholic education for any family that

chooses it

- Support the implementation and evaluation of national policies and guidelines.
- Champion equity for families accessing a Catholic education (including Early Childhood education).
- Develop a national approach to accountability for the optimal use of funding and resources.

- Support systems, school leaders, teachers and families to deliver excellence and equity for all students.
- Enhance and support high-quality, effective approaches to teaching and learning.
- Build a national approach to accountability for educational outcomes.
- Enhance and support student, teacher and educational leaders' wellbeing.

## **Collaboration and Accountability**

- NCEC develops accountability frameworks using evaluation, data and insights to support the strategic priorities
- The values, mission and accountability frameworks are embedded into work plans and performance frameworks
- NCEC considers approaches to reduce duplication and improve outcomes across states and territories
